USB Car Charger 2A Micro

This USB car charger 2A with fixed Micro USB cable is the ideal solution for charging your iPad or tablet and most of your other USB devices such as a smartphone, navigation system, MP3 player or digital camera, simply by plugging in to the cigarette lighter in your car, truck or boat! This USB car charger works on 12-24 volt and automatically converts power to the 5 volts that USB devices use. The device allows easy and convenient charging of devices while travelling, without the need of a PC, notebook or wall socket. Thanks to the high output power and USB ports with fixed Micro USB cable, you can charge 2 USB devices at the same time!

Highlights

> Charge USB (5V) devices quickly with high power output (max 2000 mA)
> 1 USB port with fixed cable for charging 2 devices at the same time
> Simply use the cigarette lighter of your car, truck or boat (12V to 24V)
> Small, compact and easy to carry
